Featured Pet for Adoption

Georgette 105811 -
Date of birth: 10/24/08.
Georgette was so eager to find her forever home that she came to Furkids on her own! One day, Georgette wandered into our parking lot. She approached one of our

volunteers and asked if he could help her find her forever home. He replied that we would be happy to help. Georgette is still a little shy, but is very inquisitive. She loves to be petted, and she bounces around, darting to and fro. She gets along great with her Furkids roommates.

Sick Cats Update

Our organization is very grateful for our friends that took such a powerful step to help us during our recent time of great need and concern. We are committed to our animals and we will go the distance to provide for their care. Today, all

original seven cats are stabilized and eating on their own. Tonka, a new case, is still hospitalized and having trouble keeping his food and medicines down. Noche, got his tube out this week and is doing well.

Thank you to everyone that provided the means to let us carry out our mission. No organization expects to have such an emergency and we are blessed to have the greatest friends and supporters in you. From all of us at Furkids and our brave cats, thank you for your care and support!
