Adoption Champions Needed

YOU can help our 600+ animals find their forever families today! We know how you can help in a profound way and it won't cost you a dime. We want to encourage each and every one of you to choose an animal that is up for adoption and become their "champion." Share their pictures on Facebook, tweet about them, create flyers promoting them, come give them one on one attention, and always recommend

To participate, simply find an animal on the website and use the photos and information found there to create your own campaign. Then promote your special animal to your friends, family and colleagues any way you can.

Furkids Receives 46 Cats from Hoarding Case

On November 29, Furkids received a call from Dekalb County Animal Control to help with a hoarding case in Dunwoody. We took in 46 cats that were living in filthy conditions and began immediately providing medical care and comfort. We need your support today to help offset the great expense of caring for this large group of felines.

Featured Pet for Adoption - Daren

Date of birth: 3/11/2011.
Daren walks with his tail straight up, and he's known for his prancing walk. But he's not showing off; he just can't help it because he's polydactyl on all four feet! This tabby-and-white boy has a long, distinctive face, and it's been observed that he's an assiduous bather. Although many cats don't tolerate being held, Daren is an exception. Like his sister Peggy, Daren likes to sit close to you. He'd love to be adopted with Peggy! Daren is also FIV+ and as most FIV+ kitties he will lead a long and happy life. Furkids remains committed to educating people about FIV. Cats with this virus deserve life and a good home!
